RE: Enclosed Forms

All of the enclosed forms need to be completed and returned by JUNE 1st. You are welcome to scan and email, fax or mail forms. Each is important so please complete and return them as early as possible.

TRANSPORTATION FORM

Please let us know how you plan to get to camp.

HEALTH FORM

This form does NOT require that you see your doctor. However, it must be completed before the start of camp with as much detail as possible. Be sure to complete both sides of the form and **sign and date** it at the very bottom. If you are currently under the age of 18, parent signatures must be included.

HEALTH INSURANCE

Everyone must have some form of health insurance while at camp (campers, CITs, and staff). If you have OHIP or other medical insurance (eg Blue Cross Blue Shield) you are already covered. Canadian citizens please make sure to indicate your 10 digit OHIP Number including two letter version code on the form. Non-Canadian residents please complete and return the form (we don't need a copy of your insurance card). If you would like to purchase insurance (no matter what your citizenship is) the cost is \$40.00 (Cdn) and will be deducted from your paycheck.

VEGETARIAN FORM

If you need to follow a vegetarian diet while at camp, complete and return the Vegetarian Sign-Up form (you do not need to return this form if you are not requesting any vegetarian option). We have two vegetarian options to choose from so please read the enclosed form carefully before signing up for either option. Once you are at camp there will be no switching between our regular menu and the vegetarian menu you select. Now is the time to let us know.

HEADS UP FOR STAFF TRAVELING TO AND FROM THE US

All staff entering Canada and obtaining a work permit must have a valid Passport, Passport Card, NEXUS card or Enhanced Driver's License. If you are travelling by air into Canada you must have a valid Passport.
